# ABOUT US...

“To achieve our vision, the framework for quality inputs and, processes is in place, and is constantly monitored and upgraded.”

Superhouse Limited India has dedicated its most valuable resources to the development and innovation of workwear, and in-turn we have won the confidence and trust of our customer. We supply to some of the most prestigious international names in bulk buying and we have a strong equity with domestic consumers as well. Our stalwart value are-consistent quality, competitive pricing and punctually meeting the deadlines of our customers.

Our range covers a wide selection of workwear, including industrial clothing, safety wear, uniforms, bib trousers, trousers, jackets, boiler suits, high-visibility vests, waterproof clothing and embroidered workwear. Our workwear has multi-functions to cater to, like comfort, usability, durability, versatility, visibility, adjustment options and more, hence each worker gets the complete benefit of his workwear. Shape, size and movement, along with multi-option and adjustable features, give each suit an edge over the rest.

Safety Workwear, no longer means uncomfortable and obtrusive elements that interfere with the smooth execution of your tasks. Constant innovation through research, has brought about a huge change in our products. We bring to you, workwear that is functional par excellence and has a dash of style too. Safety wear in no longer boring or shoddy, our expertise in embroidered workwear and new incorporations, make it a smart and chic combination. Added pockets for mobiles, pagers, loops for safety hooks, adjustable lengths and advanced fabrics, are all packaged into an affordable deal for employers and individual entrepreneurs as well.
